TERMS & CONDITIONS

Base price is subject to change without notice prior to starting.

Prices may vary by negotiation when volume is considered.

Prices are based on _____ tonnes per day. Minimum daily charge may apply.

Per tonne means every tonne that goes through the cleaner.

2% charge per month will be added for late payments as an account keeping fee.

Client to provide diesel for Cleaner. Arrive and leave full, if not there will be an adjustment to account.

"Fixed Price Upgrade" must be nominated and terms agreed before commencing work.

SWGCG reserves the right to leave at it discretion and be paid for work done.

For safety reasons a 30m exclusion zone is in place around the grain cleaner. Others enter at their own risk.
